

Concussions in football have been a very hot topic among Athletic Directors, Coaches, and Athletic Trainers. However, most of the focus has been on male athletes, but are female athletes at a GREATER RISK FOR CONCUSSIONS?

Write a 5 paragraph essay explaining your findings and your opinion on all the precautions that are being taken.

Your essay should include:

- A body that contains 3 forms of evidence that for explains why. (3 paragraphs)
- Introduction that gets your audience attention and makes a clear claim.
- A conclusion that states your opinion and effectively wraps up your essay.
- 3 in-text citations (2 from the article and 1 from outside source)
- Reference list. APA (use the Purdue owl web site)

<b>WRITING RUBRIC</b>	<b>F/D</b>	<b>C/B</b>	<b>A</b>
<ul style="list-style-type: none"> <li>• Introduction that gets your audience attention and makes a clear claim.</li> </ul>	0-6	7-8	9-10
